**SUBJECT: TREASURER AND TAX COLLECTOR WINS MULTIPLE AWARDS FOR CAMS**

I am excited to announce that our Department has recently been recognized locally and nationally for the Treasurer and Tax Collector – Public Administrator's (PA) Client and Asset Management System (CAMS).

Over the last few years, our Systems team collaborated with staff from the PA, Department of Mental Health - Public Guardian (PG), County Counsel, Medical Examiner - Coroner, and Morgue to develop a replacement solution that serves as the case management, accounting, and reporting system for the PA and PG. CAMS has transformed the way the County does business by ensuring accurate, efficient and accountable operations for the PA and the PG's at-risk clients. This new system is being recognized on many different levels and is a fine example of good government and great teamwork! Here are the awards:

- **OUTSTANDING IT PROJECT AWARD**  
Los Angeles Digital Government Summit & Government Technology®  
August 25, 2015, Los Angeles, California
- **DIGITAL GOVERNMENT ACHIEVEMENT AWARD FOR GOVERNMENT TO GOVERNMENT**  
Center of Digital Government (National Award)  
September 25, 2015, New Orleans, Louisiana
- **OUTSTANDING TEAMWORK AWARD**  
Los Angeles County Quality and Productivity Commission  
October 21, 2015, Los Angeles, California

Please join me in congratulating our County partners on these well-deserved awards!
